## BUDGET IMPACT OF IMMIGRATION

EAO

The Chairman, Task Force on the Budget Process, House Committee on the Budget, has requested the General Accounting Office to study and report on the budget impact of all forms of immigration over the next ten years. There are at least 14 federal agencies involved in immigration activities. We want to obtain from them fiscal year 1984 (or other available year) expenditure or revenue data related to immigrants or immigration activities. CIA has at least one such activity-- refugee name tracing. We would like to discuss this area, as well as any other immigrant-related activities, with CIA officials.
